

URBAN CHIC DETACHED TOWNHOUSE

6 3 8

HOPE ST #2

Features

Built in 2004

Just minutes to train

Spacious living room

Gas fireplace

Formal dining room

Modern kitchen

Wraparound patio

Grand master suite

Two car garage

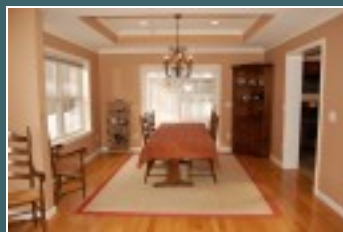

This urban chic detached townhouse built in 2004 offers the privacy of a single family home without all the maintenance. It is conveniently located minutes to the Springdale train station, ideal for commuters. It has stunning features, an open floor plan, crown molding, 9 foot ceilings and hardwood floors. It offers an expansive living room with fireplace, dining room with doors to patio, modern kitchen with cherry cabinets, exercise room and two car garage. The grand master bedroom has luxury bathroom and walk-in closet. A wraparound patio provides a wonderful outdoor space for Summer barbecues. Very low HOA fees.
